Excerpt for Midwest Book Review:

Becoming What You Want To See In The World examines the 'physics' of happiness and how anyone can invoke and restore passion and joy into the fabric of their lives. Replete with inspiring personal stories, *Becoming What You Want To See In The World* also provides tools and activities illustrating practical approaches to leading a more fulfilled, balanced, and meaningful life regardless of the listener's personal circumstances or economic restrictions. Especially recommended to the attention of those who are leading busy, time stressed lives, and feel they don't have the ability or opportunity to make changes in their schedules or themselves, *Becoming What You Want To See In The World* is ideal for learning how to take the time and invest the energy needed to improve the quality of life on a daily basis.

"This book could not have come at a more opportune time. A ray of hope amid chaos. . ."Arun Gandhi, Founder of the M.K. Gandhi Institute for Nonviolence, Grandson of Mahatma Gandhi
